

At Blackbird each wine has been selected as a great example of variety, vintage and region.

We encourage you to engage with our sommeliers to heighten your dining experience. We are here to assist with any questions or queries you may have.

Due to the rare nature of some of our wines we apologise if your first selection is unavailable. We endeavour to reprint our list once a week to maintain vintages and remove out of stock wines.

Please note: There is a 1.3% surcharge on all card purchases. A 10% surcharge applies every Sunday and a 15% surcharge applies on public holidays.

AUSTRALIAN WHISKEY

While relatively new on the Whisky scene, Australian whiskey has been making waves internationally. The higher temperature in Australia means our whiskey needs less time to mature than something like Scotch, creating highly complex spirits in around half the time. The range we carry is hand selected to represent some of the finest single malts, ryes and blends our country has to offer.
